Letter no A3-PR 1162/55-56 dated 26/9/55 from the Commissioner, Corporation of the City of Bangalore regarding the acceptance of the resignation of the corporation Advocate, City Area.

1) Submitted for perusal
No further action appears called for.
Ms 24/10

2) The Commissioner has enclosed a list showing the amount misappropriated by the Corporation Advocate and the period during which he had not remitted the amount to the treasury. In some cases the delay is 8-9 months vide Sl Nos 14 15 16 & 17. I think this is a very serious matter. Because he was a corporation Advocate more resignation has been accepted. Does it for perusal

3) Recently, in a meeting in which the Comptroller Financial Secretary and Law Secy were present, it was decided that misappropriation of Public funds should be severely dealt with and that the persons liable should be prosecuted vide copy of the G/O enclosed. It is not meant that the poor officials must be prosecuted and that important persons are warned & let off. Does it for perusal & orders

39) The Corpn has already been addressed and the matter is before the Corpn. When once, we have addressed the Corpn, it is not desirable nor reasonable to ask the Corpn to stop proceeding in the matter. They may mistake the bonafides of the Govt in suddenly calling back the records. The money embezzled was Corpn property and the Corpn has every right to express their opinion. Therefore it is better to wait till the Corpn passes a Resolution. This is not a case in which a stay order has to be issued, because there is no order passed by any Judl authority. If there had been an order & if there were sufficient grounds to issue a stay order, then Govt could have issued a stay order. But now, there is no order to be stayed. Law Secy may have to be consulted whether Govt can interfere at this stage.

1 That the Appellant was elected by the Bangalore Municipal Corporation as its Legal Adviser for the City area in 1953 and in the said capacity he served the Corporation from January 1954 to the ~~first~~ 30th September 1955. Further the Appellant rendered service to the Corporation as a Corporator for a period of six years prior to the above appointment

2 The appellant may respectfully submit that his work as the Corporation Advocate throughout the said period was marked by high sense of duty and efficiency in every work that was entrusted to him by the Commissioner of the Corporation

3 The Appellant further submits that in the course of his duties as the Corporation Advocate and as one who had filed vakalath for the Corporation in every case pending, he had the authority to collect the amounts due to the Corporation from the parties against whom action had been taken and similarly remit amounts to the courts on behalf of the Corporation In the said work he had the services of a Corporation Clerk by name Sri M S Lakshminarasimha Sastry.

4 During the period of the Appellant's service as Corporation Advocate several amounts were received by him

to be credited to the Corporation Treasury and similarly on behalf of the Appellant himself the above mentioned clerk of his also received amounts in courts. Though the clerk's bonafides were discovered on a later date to be fradulant in respect of certain amounts collected by him and not remitted to the Corporation treasury, still the Appellant was legally responsible to the Corporation and thus every pie collected both by the appellant and his clerk was remitted to the Corporation treasury from time to time. In the course of his duties and on account of utter inefficiency and questionable behaviour of the clerk, the remittances to the Corporation treasury could not be made immediately after the collections were made in a ~~few~~ few B/ of the cases and slight delay in respect of ~~a few items~~ Them B/ was Thus B/ caused.

5. The delay in the remittances mentioned above was voluntarily brought to the notice of the then Commissioner of the Corporation by the Appellant and sought for a change of the clerk The Appellant also frankly and in all honesty submitted a statement to the Commissioner stating therein that the delay in the remittances was purely accidental and the same was deeply regretted Thus the Appellant's conduct was absolutely bonafide though not strictly regular in the tenhnical sense of the term It may also be noted here for kind information of the Government that every pie due to the ~~Government~~ Corporation B/ and collected by or on behalf of the Appellant has been remitted to the Corporation and as far as the situation stood in May 1955, the accounts were brought uptodate ~~and~~ No degree of irregularity was allowed to creep in by the Appellant thereafter till the last date of his stay in the Corporation as the Corporation Advocate

6. As the matter stood as above, the Appellant learnt that a few of the Councillors took a very serious view of this matter and obviously felt dis-satisfied about me In order to satisfy such friends who were so displeased and to clear my conduct also, I tendered my resignation to the Commissioner which was accepted by the Corporation unconditionally on or about the 30th September 1955 and thereafter elected another gentleman to the said post

7 The Appellant now learns that in the course of this interval of about ten months the Government have been pleased to observe that the Corporation may initiate proceedings against the Appellant for alleged professional misconduct in the High Court of Mysore It need hardly be stated here that the above observation of the Government on this subject have been made without an opportunity being given to the Appellant to explain his position and that the Appellant has not been heard at all by the Government Having regard to the very serious implications to the bonafides and to the reputation of the Appellant who has been both a public worker and a practising advocate, the Appellant most respectfully submits, that the observations reported to have been made by the Government have not been fair to the Appellant and if allowed to remain unchanged the Appellant would be put to great injury and incalculable harrasment and mental torture

Under the above circumstances the Appellant humbly prays that the Hon'ble Government may be pleased to send for the connected records from the Bangalore Municipal Corporation immediately and stay further proceedings

arising out of the observations of the Government and to dispose of this matter on merits after affording the Appellant an opportunity to explain his position to the Government This procedure, the Appellant submits, is in keeping with natural justice and also in fairness to the Appellant himself whose record of service has been without any blemish
